***COSTUMES! COSTUMES! COSTUMES!***

Preparations for our year end concert "**Kupalsky Melodies**" are well underway. Yalenka is pleased to announce that we will have a special guest artist singing in our show. Her name is Tetiana Onyshchenko and she will be arriving from Kyiv at the beginning of April.

**New costumes** will be arriving soon from Ukraine for our year end storyline. We are very excited to showcase them at our performance.

***PLEASE HELP!!***

There are two props that we need for our storyline; **a tree and a fake fire**. We need a creative parent from our school to help make these props into what we need for our story. Please let us know who is able to help with this very important part of our show.

Thank you. Lorraine and Rosanne
